

OAK CONCRETE

The natural oil finish and sleek grey stain found on this single-strip maple floor from the Artisan Collection create a refined yet rustic expression. Knots and cracks pepper the boards, adding depth and balancing the bleached wheat highlights. Every board is carefully brushed to bring out the character of the grain and emphasise the natural texture of the wood. Four-sided bevelling at the edges ensures a classic full plank look and feel. Hand-scraping enhances the worn appearance of the floor.
