

OAK TAN

The lightly smoked finish on this single-strip oak floor from the Artisan Collection balances the warm turmeric nuances. Naturally occurring knots and cracks pepper the boards, adding depth and bringing life to the floor’s rustic expression. Each board is carefully brushed to bring out the character of the grain and highlight the natural texture of the wood. Four-sided bevelling at the edges ensures a classic full plank look and feel. Hand-scraping enhances the worn appearance of the floor.
