

OAK BODA

The warm, golden tones in this 3-strip oak floor from the Götaland Collection are punctuated by naturally occurring knots and cracks, resulting in a timeless and classic expression. Occasional saw marks accentuate the floor's restored appearance. Each board is meticulously hand-scraped and carefully brushed to bring out the character of the grain and highlight the natural texture of the timber. Four-sided bevelling at the edges ensures a classic full plank look and feel.
