

OAK SEVEDE

The subtle, amber stain on this single-strip oak floor from the Småland Collection allows the rich and warm tones in the wood to seep through, resulting in a lively expression and a naturally balanced contrast. Each board is carefully brushed to bring out the character of the grain and highlight the natural texture of the wood. Four-sided bevelling at the edges ensures a classic, full plank look and feel. Every board is meticulously hand-scraped, which enhances the worn appearance of the floor.
